2008 Cleanup of Trash at the Hollow Oak Land Trust's

Montour Woods Conservation Area

In 2005, HOLT purchased the 77-acre Montour Woods Conservation Area in Moon Township. There was a *lot* of trash on the property. Over the past two years we have removed about 150 old tires, three abandoned cars, bottles, cans, and tons of garbage. Please join us for our third attack on this blight!

**This is a great way to give back for Earth Day 2008!
WE REALLY NEED YOUR HELP!**

Please join your neighbors at the Montour Woods Conservation Area and help us remove most of the remaining trash.
