

Schedule For Sierra Club Environmental Film Festival

14 AND 24 April 2010

Regent Square Environmental Charter School

\$4 adults/\$2 kids – except kids are free from 5-6 PM on 24 April

Wednesday April 14, 6-10pm

| | | | |
|----------|-----------------------------|--|--------|
| 06:00 PM | Seeds | A concise explanation of the importance of genetic diversity to the food supply. | 25 min |
| 06:30 PM | Toast | A classic energy film made in 1974, set to music – must see! One of the most effective energy films ever made. | 12 min |
| 06:50 PM | Everything's Cool | A toxic comedy about the conflict over Global Warming | 89 min |
| 08:30 PM | The Botany of Desire | by Michael Pollan: Apples and Tulips – the centerpiece of the Festival. Two parts of a four part look at the way plants have focused human attention on their attributes. The other two parts will be shown April 24 at 8pm. A beautiful and startling film. Very special. | 60 min |
| 09:30 PM | Green Animation | 11 very short, challenging, funny films about various aspects of environmental issues from the UK. | 28 min |

Saturday April 24, children's films: 5-6pm, regular films: 6:15-10pm

| | | | |
|----------|-----------------------------|--|--------|
| 05:00 PM | Bunch of Fives | Five funny animated films by Nick Hlligoss, wordless, about relationships with nature, both human and non-human. | 31 min |
| 05:35 PM | Wake Up, Freddy | Another classic about resources, where stuff comes from and where waste goes. | 21 min |
| 05:55 PM | Song Bird Story | A look at migratory songbirds and a call for even children to be concerned about their declining numbers... and why that may be happening. | 13 min |
| 06:15 PM | Natural Connections | Outstanding, beautiful, compelling looks at biodiversity within three ecosystems. | 46 min |
| 07:00 PM | Gene Blues | Outstanding video that examines some of the ethical issues associated with DNA testing and sets the stage for a national debate on the ramifications of human gene technology. | 30 min |
| 07:30 PM | Community | Microcredit changing lives in Bangladesh. | 24 min |
| 08:00 PM | The Botany of Desire | by Michael Pollan: Marijuana and Potatoes – the centerpiece of the Festival. | 60 min |
| 09:00 PM | Weather the Storm | Hopeful and beautiful film about sustainable small-scale fisheries on the French coast. A look at a totally different solution to the problems of over-fishing | 36 min |
